## INSPECTION REPORT

**Safe Food Donations:** San Mateo County Environmental Health encourages all food facilities to participate in our Safe Surplus Food Donation Program. This is a statewide effort to get edible food out of the trash and to the families that are in need. Your business is protected by the Bill Emerson Good Samaritan Act and the California Retail Food Code 114433 that states any person, gleaner, or food facility that donates food as permitted by Section 114432 shall not be subject to civil or criminal liability. The county appreciates your business and contribution to the local community and environment. For more information regarding Safe Surplus Food Donations, please visit our website at <https://www.smchealth.org/fooddonation> or by phone at 650-692-6200.

**Please note:** Health permits are non-transferrable. In the event of a change of ownership, the new owner must apply for a new health permit. The placard is the property of San Mateo County Environmental Health Services. The placard shall remain posted as designated by the representative of San Mateo County. If removed the facility will be subject to a fine of \$500 per incident.
